National Park "New Style"

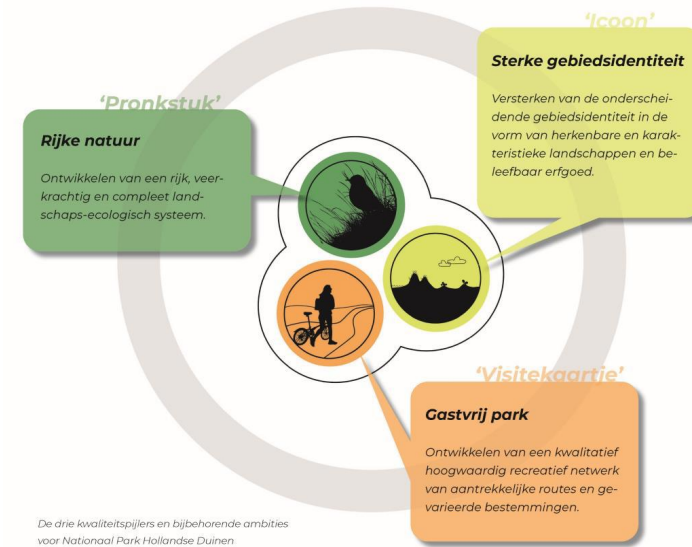

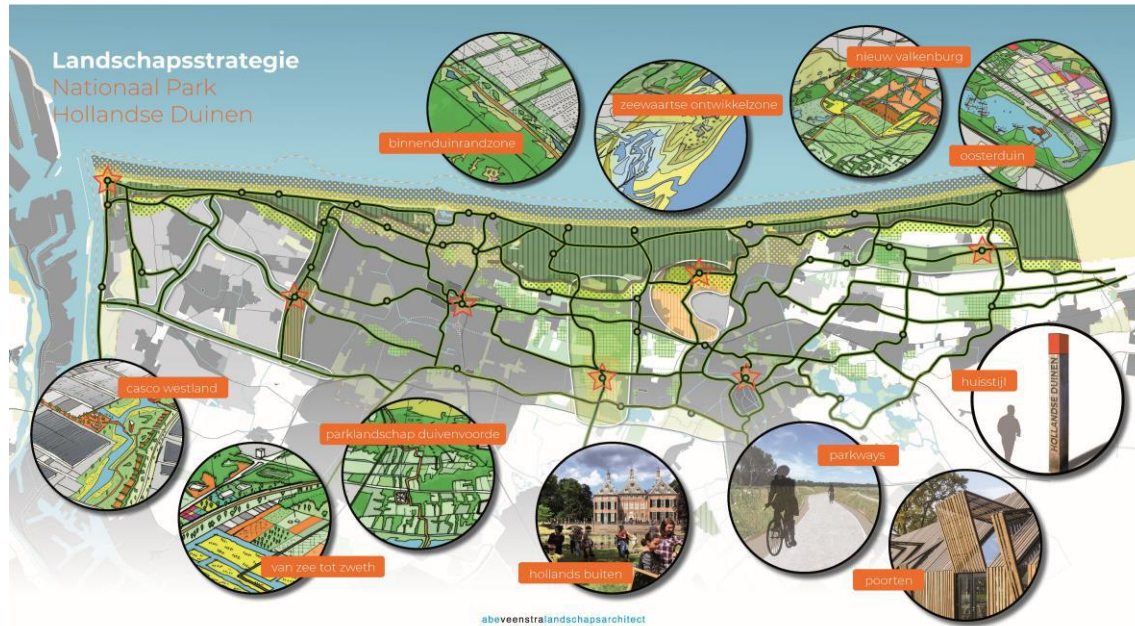

Common interest, create awareness,
be responsible

Netwerk organisation
> 50 partners

12 strategic projects

Spanjaardsduin

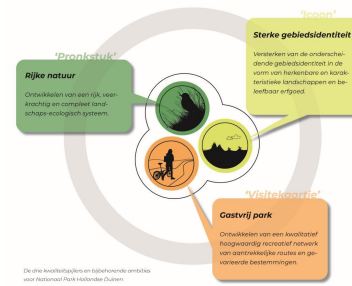

Contributes to the ecological network, situated along a 'parkway'

Aims and challenges NPHD

- More nature projects.
- Good example for partners of integrating their goals.
- Challenges:
 - Smart visitors management.
 - Create awareness
 - To combine nature and leisure goals in a sustainable way
 - Develop/upgrade new destinations

Let's do this together 😊, for ..

a more resilient environment for:

- 7000 species
- 1 milj. inhabitants
- milj. visitors/year
