Missie EcoShape – Beneficial Use of Sediment

- Sediment wordt voor 100% nuttig hergebruikt
- Dit sediment gebruiken we voor duurzame ontwikkeling op landschapsschaal
- Samen ontwikkelen we innovatieve doorbraken

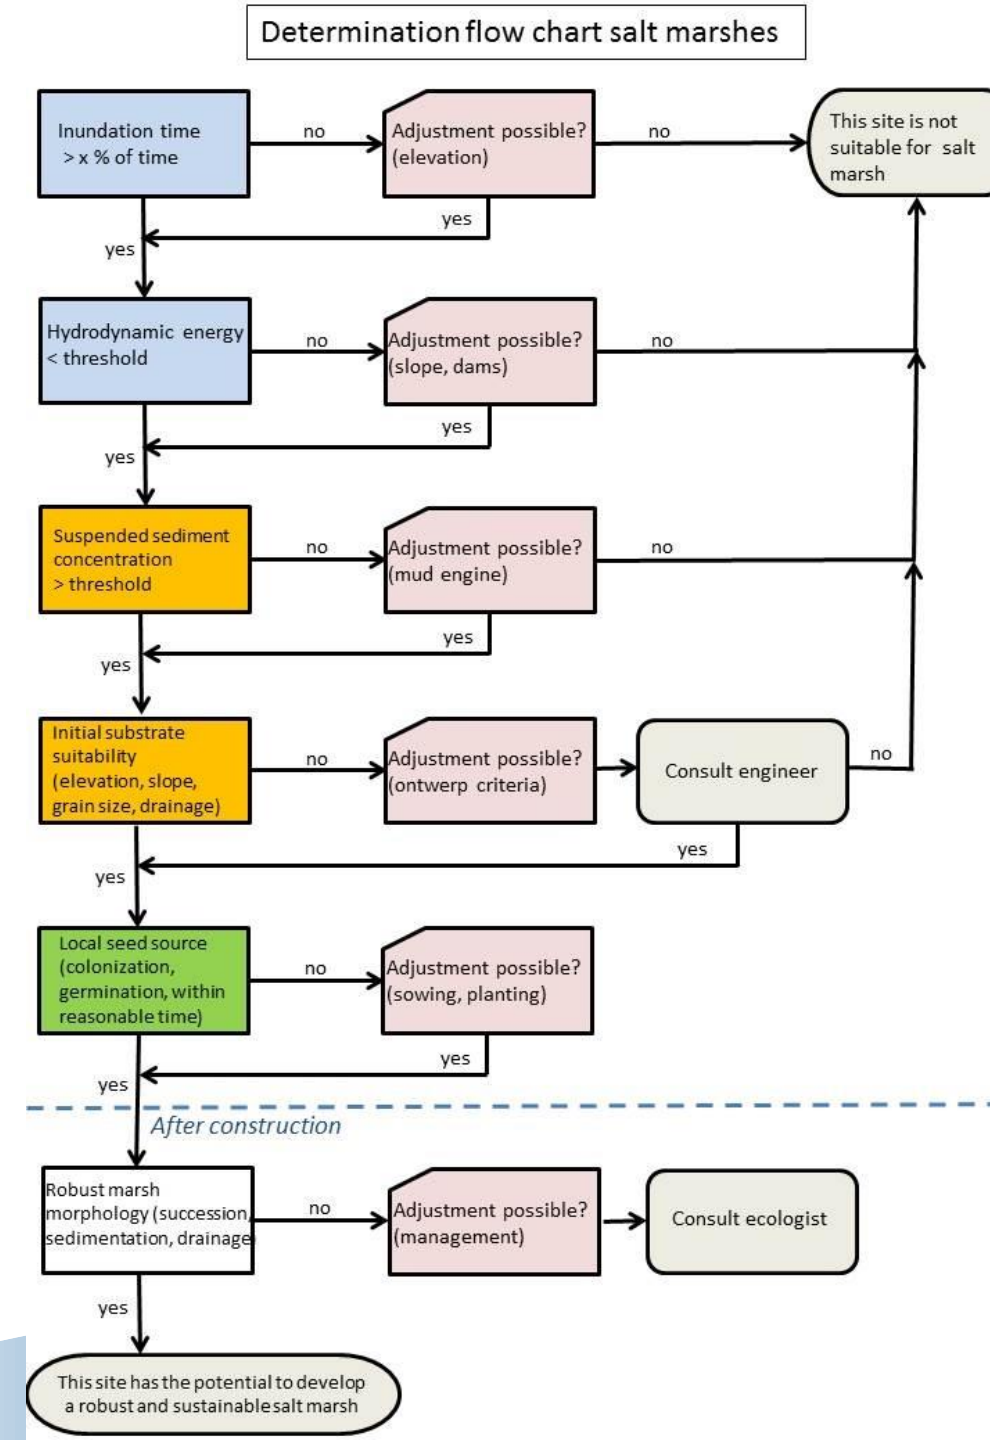

The Mud motor

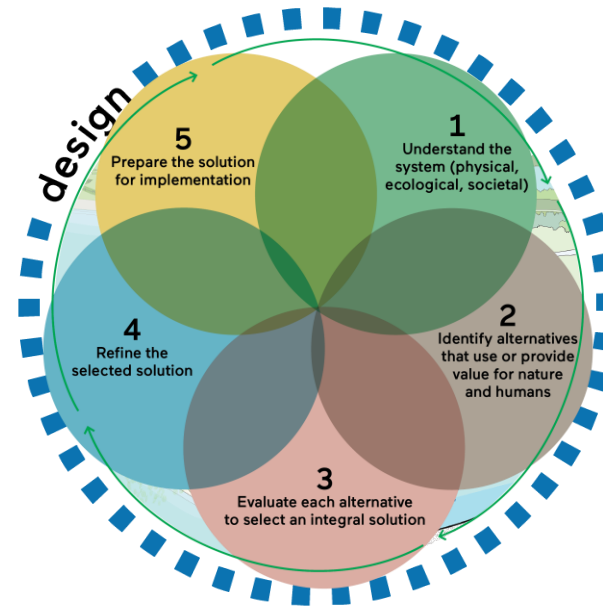

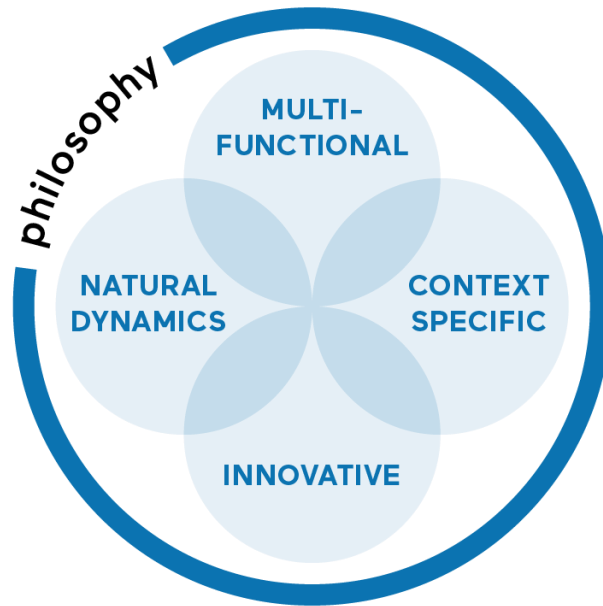

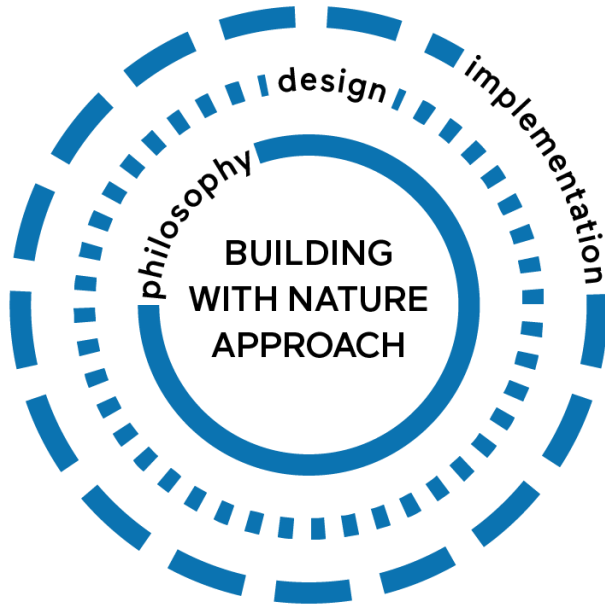

Aanleg, ontwikkeling en monitoring kwelders

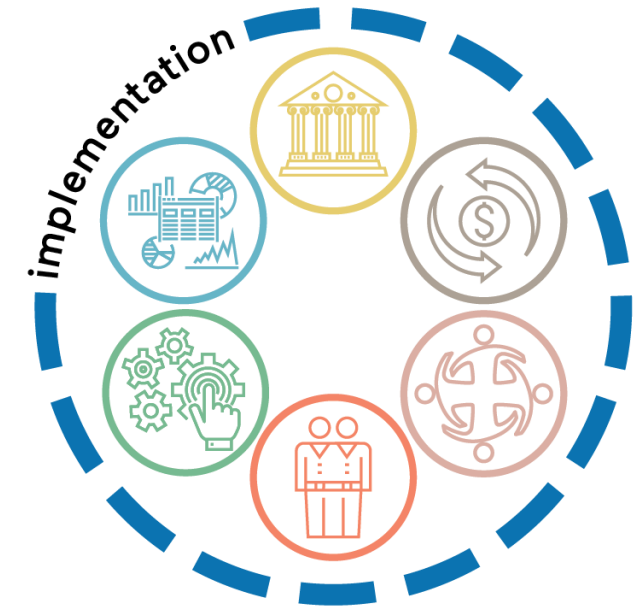

Nuttig hergebruiken van sediment waar mogelijk

Maar: altijd vanuit het systeem

The five Building with Nature design steps

building with nature

Ecosysteem herstel track: doe mee?
